

Build a Dandelion

Build a Dandelion

Tools:

- Play-Doh
- PDF
- Q-tips

How to Prepare:

- Print PDF
- Take 10 q-tips and cut in half with scissors (20 pieces)

How to Play:

Use your hands to mold the Play-Doh into a ball. Slightly press the rounded Play-Doh into the circle on PDF. Place 5 q-tips into the hand and take out one a a time to stick into the Play-Doh while using the index and thumb. Continue until all q-tips are placed into the Play-Doh.
