

Ice Cream Counting

What you will need:

- Tongs or Tweezers
- Straw
- Scissors

Prepare the Activity:

- Gather all your tools
- Cut out the ice cream cones into 4 squares. If your child is able to cut along a straight line, have them practice cutting.

The Activity:

Use scissors to cut a straw into small pieces to be used as sprinkles. Pick up the "sprinkles" by using your tongs or tweezers. Place the sprinkles on top of the ice cream that corresponds with the number on the ice cream cone.
