

Use tongs to pick up pom poms and place on top of the ice cream cones corresponding with number.

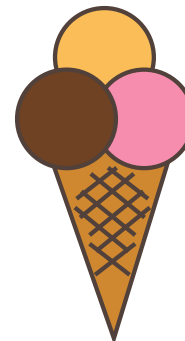

Use tongs to pick up pom poms and place on top of the ice cream cones corresponding with the color.

Color in the white circles corresponding to the pom pom colors you have at home. Use tongs to pick up pom poms and place on top of ice cream cones corresponding with the color.

Pom Pom Ice Cream

Tools:

- PDF
- 15 Pom Poms (5 colors)
- Bottle of Hair Gel
- Gallon Sized Ziplock Bag

How to Prepare:

- Print PDF
- Empty the bottle of hair gel into the ziploc bag
- Place all the pom poms into the ziploc bag
- Squeeze out air from the ziploc bag
- Place the PDF underneath the ziploc bag

How to Play:

Use your fingers to move the pom poms on top of the ice cream cone.
